

CometEngineCommon/CometEngine
/CometEngine/Definition/CometEngine
Types.h

```
graph TD; A["CometEngineCommon/CometEngine  
/CometEngine/Definition/CometEngine  
Types.h"] --> B["vcruntime.h"]; A --> C["assert.h"];
```

The diagram illustrates a header file dependency. A central gray box at the top contains the text 'CometEngineCommon/CometEngine /CometEngine/Definition/CometEngine Types.h'. Two blue arrows originate from the bottom of this box, pointing downwards to two separate white boxes. The left box contains 'vcruntime.h' and the right box contains 'assert.h'. This represents the CometEngineTypes.h file including both vcruntime.h and assert.h.

vcruntime.h

assert.h
